## WEBINARS

Spend time with a TIES instructor in an online session. Connect over the Internet from your computer and telephone. Easy directions, e-mailed to you before the webinar, include a web page and conference phone call. Once connected, you will see the instructor's presentation on your computer and hear it over the phone. You are able to ask questions and share ideas as you interact with the instructor and other participants.

**T**oday's Digital Learning Leaders and Specialists are responsible for helping teachers design, create and curate digital resources, use technology tools for teaching and learning, and lead their school or school district in providing engaging, real world learning experiences for students.

The TIESed Digital Learning Leaders program is an extended professional development program that runs from August 2017 to May 2018. Our content and activities are based on the International Society for Technology in Education (ISTE) recommended standards for Technology Coaches. *Topics of study will include:*

- Visionary Leadership
- Teaching, Learning, and Assessment
- Digital Age Learning Environments
- Professional Development and Program Evaluation
- Digital Citizenship
- Content Knowledge and Professional Growth

The new TIES Digital Learning Leaders Program will begin August 7 and 8, 2017 with two days of professional development designed to build skills for educators who wish to empower their peers with great resources, tools, and ideas.

What do I get in the TIES Digital Learning Leaders Program? 50+ CEU hours of research-based professional development including:

- Five full days of face-to-face professional development
- Individual coaching with an experienced TIESed educator
- Opportunities to present at the TIES Conference and other forums
- A connected community to exchange ideas and practices with other digital educators
- One-day registration at the TIES 2017 Conference in December 2017
- One or more site visits to schools that are modeling digital learning practices of interest
- Goal setting and project completion support
- Toolkit of best practices, resource banks, technology tools, and ideas
- Certification as a TIESed Digital Learning Leader

The Digital Learning Leaders program is designed for anyone who is a leader in the process of integrating technology in a school or district. Participants from past groups have been library media specialists, classroom teachers, lab instructors, technology integrationists, administrators, and teachers on special assignment.

## TIESed Personalized Coaching—*Professional Development Customized for You and Your Team...*

**T**IESed Personalized Coaching is customized professional development for individuals or small teams based on specific technology integration project needs or as a follow up to a TIES workshop. These face-to-face coaching sessions are designed to provide time, space, and resources for educators to collaborate with coaches on integrating technology into their work in engaging ways to move their knowledge towards authentic application. TIES coaches will work closely with participants in advance of coaching sessions to ensure that the time spent during the session is personalized to participants needs. TIES Personalized Coaching can be done with any topic or school/district technology integration initiative.

*Some possible suggestions...*

- G Suite for Education
- Digital Citizenship
- Effective implementation of interactive whiteboard technologies
- Effective Professional Development practices for technology integration
- Best classroom practices for 1:1 environments
- Moodle/LMS
- Project Based Learning

Coaching sessions can be scheduled at TIES or in your school/district. Contact Mary Mehsikomer at 651-999-6510 or [mary.mehsikomer@ties.k12.mn.us](mailto:mary.mehsikomer@ties.k12.mn.us) to schedule your coaching today.
